God Said, Disrupt Some-ISH - Your Purge Plan.

Step 1. Father in your name, I have sinned against you. I am sorry. I did it. I did it. I did it.

I repent of all sins causing me to come into agreement with Satan, darkness and death. I repent for settling into mediocrity, living below station as your child and chosen one. I repent for keeping forgiveness from others. Right now, i forgive them all for all things I held against them. I release them, the situations and negative feelings to you now. I bless them with the same mercy you give me daily. In Jesus name, I now pray to receive your holy mercy now to restore, heal and elevate me. I stand here today in humble hope for your salvation and covenant rights to be renewed, restored and glorified in me to a witness for you. Amen.

Step 7. Begin to stick stickers every place Holy Spirit says. Don't think about the item. Don't think about the quantities. Just stick the stickers. You'll come back to them when it's time to sort them together by Donate or Purge.

Repeat all steps every room. Don't move to a new room until all have been done and Holy Spirit is done sticking stickers. You are the vessel. Not the decider of sticker placement.

Step 8. Thank Holy Spirit for using you. For leading and protecting you. Expect the enemy to kickback. Keep praising God no matter what happens good-bad- in between.
